

# City of Lennox

With summer in full swing, many of us are appreciating the nice weather, running our kids to different activities, camping, fishing or just enjoying life. With the 4th of July quickly approaching, The City of Lennox would like to make sure our community looks its best for the 33rd Annual Old Fashioned Fourth of July Celebration. Please be reminded of the following:

- \*Make sure lawns are mowed regularly and free from noxious weeds.
- \*Keep property clean and free of junk and debris.
- \*Refrain from mowing grass clippings into gutters. This causes drainage issues and clogged storm sewers.
- \*Sump pumps must be discharged to your yard or street and cannot be connected to the sanitary sewer system.

The City of Lennox appreciates the efforts of all to make our community great!!

## Cool off in the Lennox Swimming Pool!
